All-

Molly and I will be participating in the Pebble cooperating agency meeting tomorrow, so will miss the Bristol Bay check-in call. Below is a NEPA/permitting update:

- At Palmer's request, I will be drafting talking points related to NEPA for the meeting with UTBB next week. I aim to have a first draft on Thursday for review.
- I am drafting a response to the Pebble CMS (PLP letter to Administrator Pruitt) which is due 3/23
- FOIA – I reached out to the Corps regarding the Trustees FOIA and they agree with coordinating
- Cooperating agency meeting tomorrow – topics include the coordination plan, scoping plans, and schedule; the Lake & Peninsula Borough was added as a cooperating agency
- Scoping is still planned for mid-March through April, though we should know more after the meeting tomorrow
